

We are so pleased that now restrictions have been lifted, it means that we can once again gather together at Chichester Cathedral for our flagship fundraising event 'The Big Sleep Out', and this year there are two ways you can take part.

Join us in the heart of Chichester within the Cathedral grounds for fun and games throughout the afternoon and evening before bedding down in your cardboard shelter for the night. Registration and access to the event will be from 2pm, then head home the following morning after surviving the night.

If you can't join us at the Cathedral, then why not create your own 'Big Sleep Out at Home' and enjoy all the same fun and games. Invite your family and friends to join you, throw a party and be as imaginative as you can with your cardboard shelter for the night. Build your shelter anywhere you like, indoors or outdoors, under the stairs or under the stars!

**Wherever you sleep, get involved and have some fun! Change where you sleep for just one night to help us raise funds and awareness for homeless and vulnerable people throughout Arun and Chichester.**
