

Operation Elf Supporter Information

Thank you for being part of the Operation Elf Campaign 2021. We are grateful for your efforts to **share a little joy and hope** with prisoners and their children this Christmas.

Important Details

Do we know you?

Make sure we at Pact know that you are doing Operation Elf this year. Email us parish.action@prisoneradvice.org.uk.

What do supporters need to do?

Ask supporters to buy **gift cards with a £10 value** only please.

Want to donate more? Buy multiples of £10 cards. E.g. To donate £30, buy three separate £10 gift cards

Want to donate less? Club together with friends to buy a £10 gift card.

What kind of Giftcard to buy?

Choose one that gives lots of options to a child. Some may want to buy chocolate, others popular toiletries, a book or toy, or they may like to put it towards a new jacket.

A good choice is a **One4All gift card which you can buy at the Post Office or online- this can be used in lots of shops. Otherwise choose department store gift cards e.g. Boots, M&S.**

Please buy actual giftcards and **not e-cards or e-vouchers** as these are too difficult to distribute.

How can supporters feel connected with the families they are helping?

Invite supporters to head to our website and write a message of support to families who have someone in prison at this tough time: [Operation Elf 2021 | Prison Advice and Care Trust](#)

Where to send the gift cards?

Please make sure gift cards arrive with us by 30th November 2021 to allow our Christmas Elves to share them with mums and dads in prison, for their children.

Collect them up and send them to us here:

**Operation Elf
Pact
29 Peckham Road
London SE5 8UA**
