

Crisis Fund in Arundel & Brighton Diocese

The Catholic Children's Society (CCS) operates a Crisis Fund in Arundel & Brighton Diocese. This fund provides immediate financial support for local families facing a crisis in their lives. Headteachers or Parish Priests can apply on behalf of families they know and CCS will respond within 24 hours. The fund can be used for many different purposes and each application is judged on a case by case basis. The only criterion is that the family must be facing exceptional difficulties where one-off financial support can make a difference. I would like to thank all the parishes who gave so generously to this fund via their Crib offerings and would encourage all Parish Priests to apply to the Crisis Fund if they identify a family who could benefit. To request an application form, or discuss a family you are concerned about, please email info@cathchild.org.uk or call 020 8969 5305
