

Greetings from CaFE. By God's grace we remain at your service. This Autumn newsletter highlights THE GIFT - a Life in the Spirit course upgrade, courses for the Autumn, courses for Deacons and Catechists, and an invitation to join us in Patmos in 2024.

THE GIFT - a Life in the Spirit course upgrade

We are pleased to announce that as part of our Digitalisation Project, CaFE has successfully upgraded another course. Your favourite 6-week Life in the Spirit Course [THE GIFT](#) now has downloads with subtitles that can be activated or deactivated. We are very grateful to our donors who funded this development. The course has been positively received in 19 countries around the world including the USA and Australia.

Earlier this year Fr Rory Conley, Pastor of St. Mary's, Bryantown, Maryland told us, "We are presenting the seminar using [The Gift](#) in three more parishes this Lent. That brings the total to 20 parishes over the past six years and around 3000

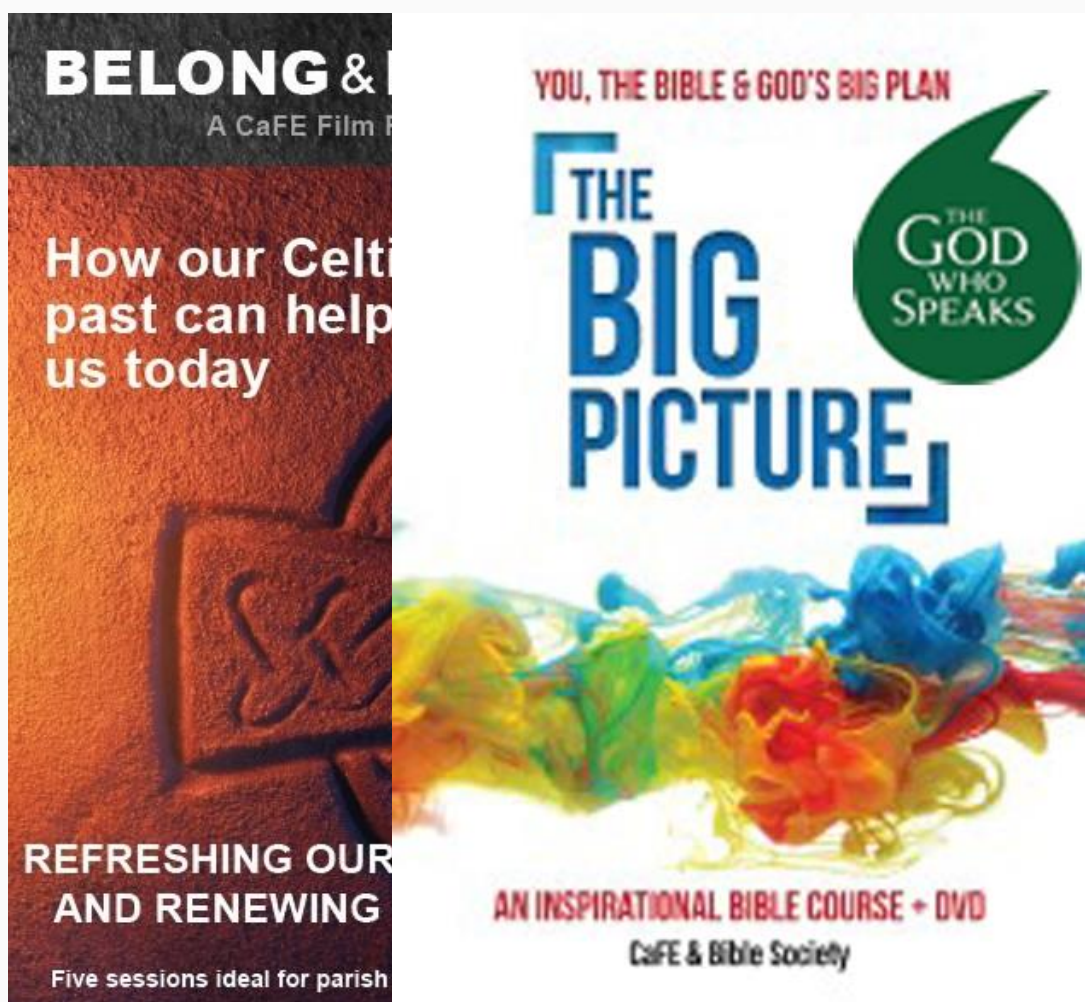

participants. This never would've been possible without [The Gift](#). So has truly been a gift to people over here. Thank you CAFE for all that you do to promote the gospel in the power of the Spirit."

If you have purchased the course in download or DVD version in the past and would now like the sub-titled download version free of charge please email tim@faithcafe.org

Copies of [THE GIFT](#) course as download or DVD, are only £25 plus p&p. [Click here](#) for details.

We are now in the process of sub-titling our [Let It Be](#) course. Please pray for this endeavour.
